THE PREMIER JUNIOR BASKETBALL PRE-SEASON TOURNAMENT

WELCOME

The National Storage Coastal Classic is the premier pre-season Junior Basketball tournament in NSW. The competition brings teams from across the state to the Central Coast for two massive weekends of basketball.

In 2025, Central Coast Basketball is thrilled to announce a new partnership with National Storage, who will serve as the naming rights partner for their annual Coastal Classic Basketball Tournament. This partnership marks a significant milestone for both organisations, further enhancing the prestige of the competition, which is the largest pre-season basketball event in the region.

National Storage is the largest self-storage provider in Australia and New Zealand, with over 235 centres providing tailored storage solutions to over 95,000 residential and commercial customers. As Coastal Classic brings teams together from across the state, participants can benefit from National Storage's services, with 40 centres located across the Sydney, Central Coast, Wollongong and Illawarra, and Mid North Coast regions.

"National Storage has been a proud supporter of sport in Australia and New Zealand for many years, at both the grassroots and elite levels." said Andrew Catsoulis, National Storage Managing Director. "Our upcoming partnership with Coastal Classic further demonstrates our commitment to supporting local communities and celebrating shared values such as Teamwork and Excellence."

On behalf of Central Coast Basketball, we'd like to thank you for your participation in the tournament. This information pack contains key information about both Division 1 and Division 2 weekends, including draws, tournament format, accommodation options and attractions around the Central Coast.

The weekends are a great way to get in some team bonding both on and off the court and we hope you're able to check out what the Coast has to offer and enjoy a fabulous weekend of basketball!

TOURNAMENT FORMAT

The format of the tournament will be that each team plays 3 games over the course of the weekend. Round games and crossover games may be held on Sunday mornings. Teams will have the opportunity to progress to the Grand Final which will be held at Breakers Indoor Sports Stadium.

This year, we will aim to run 3 division for the U12s, U14s and U16s (team nomination numbers permitting). Division 2 and 3 will be held on the same weekend. Each club will be able to nominate one (1) team per division. Extra teams will be considered, once nominations have closed and we've identified availability.
